MBE REPORTING OVERVIEW

All agencies are being asked to submit their individual MBE Reports to the Governor's Office of Minority Affairs (GOMA) on or before the close of business on **Monday, October 2, 2017**.

Accordingly, this document is meant to be used as a guideline to assist all reporting agencies:

- I. All state procurement units are reminded to take great care in reporting MBE contract participation and waiver data. Procurement units should not report any MBE data (prime or subcontract dollars) in their MBE reports that is not adequately supported by auditable contract documentation.
- II. All procurement units must report, in addition to MBE prime contract and subcontract award data, actual payments made to MBE prime and MBE subcontractors during the fiscal year. **Form 3 represents a comprehensive MBE contract payments and subcontractor utilization database that captures prime and subcontractor actual payments on both a fiscal year and a contract-to-date basis.** A separate set of instructions for completing the database will be provided.
- III. GOMA will provide technical assistance and support through the MBE Report Help Desk. You can reach the help desk by calling 410.697-9600 and asking for the MBE Report Help Desk.

WHAT IS THE MBE REPORTING FORMAT?

The following reporting process will be in effect for FY 2017.

- I. Procurement units will continue to complete and submit the MBE Summary Statement that summarizes the agency's contract award and payment data. The Department Secretary, University President, or Agency Head and the Chief Financial Officer must sign and submit this form to the Governor's Office of Minority Affairs. A hard copy original or electronic copy of the signed document is acceptable.
- II. Procurement units will continue to submit their annual MBE report electronically in specified file formats, using the GOMA-approved report template.
- III. **Reporting Form #1 – Total Contract Awards by Procurement Categories** –Form 1 captures a summary of all reportable contract awards, including MBE prime/subcontract awards and all MBE waiver activity. Agencies should refer to <http://bpw.maryland.gov/Documents/1998%2020%20Attachment.pdf> and/or legal counsel for assistance in determining whether a contract item is MBE-reportable.
- IV. **Reporting Form #2 – Total MBE Prime Contract/MBE Subcontract Awards by MBE Classifications and Procurement Categories** –The total number and dollar value of all MBE prime and MBE subcontract awards should be included on Form 2. **NOTES:** (i) If you report the full value of a MBE prime contract award in the second input area of Form 2, **DO NOT** include any related MBE subcontract awards at the top of Form 2. Doing so will result in an overstatement of your unit's MBE activity. (ii) To avoid overstating participation of dually-

certified MBEs, be sure to include the affected businesses in only one of the MBE categories. Directions for completing Reporting Forms 1 and 2 have been provided in a separate document.

V. **Reporting Form #3 – Annual MBE Procurement Report Database – INSTRUCTIONS TO IMPORT DATA ARE FORTHCOMING. WE ARE NO LONGER ACCEPTING ACCESS DATABASES.** If you key-punched data into the Form 3 web portal you will be required to do so again. Instructions are forthcoming, plan on DATA SUBMISSION DUE DATE of Monday October, 2, 2017.

VI. **MBE Prime Contractors and MBE Subcontractor Awards Detail Report** in Excel spreadsheet format. The Detail Report captures the contracts awarded to MBEs in FY, the names of those MBE prime and subcontractors, and their MBE classifications. Instructions for completing this report have been provided in a separate section and document. *This information should support the data input onto Form 2, make sure to include vendors from direct vouchers and credit card payments too.*

REGULATORY AUTHORITY

- I. In accordance with [COMAR 21.11.03.17](#) MBE Reporting, each procurement unit shall make a report annually to the Office of Minority Affairs that includes:
 - a. The total number, value, and description of its procurements from State-certified MBEs as prime contractors, and separately as subcontractors, by business name and specific MBE classification;
 - b. The percentages, by specific classification of MBE, that purchases represent of the total number and value of its procurements for the fiscal year just ended;
 - c. The number of MBE waivers granted; and
 - d. An evaluation by the procurement agency of the success of its MBE program, which evaluation shall include a brief description of the procurement agency's outreach efforts to MBE prime contractors and MBE subcontractors.
- II. Each procurement agency shall furnish any other information or periodic reports requested by the Governor's Office of Minority Affairs and the Department of Transportation in connection with MBE certification and procurement, or any other matters related to the administration, effectiveness, or continuation of the Minority Business Enterprise Program.
- III. The Governor's Office of Minority Affairs shall prepare an annual report summarizing certified MBE participation throughout the State, for submission by the end of each calendar year to the Board of Public Works, the Legislative Policy Committee of the Maryland General Assembly, and to each procurement agency.

MBE REPORTING REQUIREMENTS & CRITERIA

- I. In accordance with [COMAR 21.11.03.15](#) Certification - General, the Department of Transportation is the agency designated to certify, recertify, and decertify minority business enterprises. A procurement agency may not permit a business to participate in procurement as a certified MBE

unless the Department of Transportation has certified it as a minority business enterprise.

II. Pursuant to COMAR 21.11.05.08 Minority Business Status, in calculating compliance with the certified Minority Business Enterprise goals under COMAR 21.11.03 and for reporting purposes under [COMAR 21.11.03.17](#), a procurement agency may:

a. May exclude from its total annual procurements the annual dollar value of its contracts with Maryland Correctional Enterprises (MCE). 

III. a. **DGS Contracts:** Regarding AWARDS, *agency-specific* commodities and maintenance contracts awarded by or through the Department of General Services (DGS) should be included on the *agency's* annual report on Forms 1 and 2. Non-delegated DGS contracts (i.e., Statewide, Capital Construction, etc.) should be excluded from Forms 1 and 2, as DGS will report these awards.

ii. Regarding EXPENDITURES, all MBE expenditures **from DGS statewide contracts and delegated contracts** should be included on the using agency's Form 3 Payments/Subcontractor Utilization Database

DGS Procurements	Form1 & 2 - Awards	Form3 - Payments
DGS Agency Specific	Agency Reports	Agency Reports
DGS Non-delegated	DGS Reports	Agency Reports

b. **DoIT/DBM Master Contracts:** Certain Department of Budget and Management (DBM) and Department of Information Technology (DoIT) master contracts have been *DELEGATED* to the using agency for purposes of MBE compliance and reporting. All task order **awards** made from these delegated contracts should be reported on Forms 1 and 2 by the using agency. **Payments** made to task order contractors (MBE prime and MBE subcontractor) during FY 2017 are to be reported by the using agency on Form 3.

For *NON-DELEGATED* DoIT/DBM Statewide contracts, agencies should report only expenditures to MBEs in the Form 3 Payments/Subcontractor Utilization Database. (See the DBM website <http://dbm.maryland.gov/proc-contracts/Pages/MBEDelegation.aspx> (BE SURE TO REVIEW THIS LINK) and the DOIT Master Contracts (on the GOMA website) for the most current list of contracts for which MBE responsibility has been delegated.)

DoIT/DBM Procurements	Form1 & 2 - Awards	Form3 - Payments
Delegated	Agency Reports	Agency Reports
DGS Non-delegated	DGS Reports	Agency Reports

c. **Multi-year contracts:** The full value of a multi-year contract should be reported on Forms 1 and 2 in the year that the multi-year contract was awarded. Ex: A 3-year contract for \$4,000,000 was awarded on November 12, 2016 by Agency X. The contract includes 2 one-year option periods and has a 25% MBE subcontracting goal. For FY 2017, Agency X should include the entire \$4,000,000 award on Form 1, and the \$1,000,000 subcontract amount on Form 2 in the appropriate MBE categories. If exercised, the 1st option should be

reported in FY 2020 and the 2nd in FY 2021. DO NOT spread the value of the 3-year initial award amount over the 3-year term of the contract.

Form 3 MBE payment/subcontractor utilization data for multi-year contracts should reflect the actual payments disbursed to all MBE prime contractors and MBE subcontractors during: a) the current fiscal year reporting period, and b) contract-to-date. *(NOTE: This data input is very important as it is the basis for the compliance calculation.)*

- d. **Contract modifications:** Changes to contracts that increase the overall contract value (i.e., change orders, extra work orders, supplemental agreements, contract amendments, etc.) are part of the agency's contract award activity and are to be reported in the year in which the modification is issued. Any MBE participation associated with the modification amounts should be included. *Unfortunately for both FMIS and non-FMIS users gathering this MBE Subcontractor information is a manual process, so please be mindful to allocate time to do this research.*
- e. **Direct Vouchers:** Direct Vouchers are considered one-time-only procurement reportable purchases to be reported as awards on Forms 1 and 2 and as payments on Form 3. However, direct vouchers that represent DGS statewide master contract purchases or non-delegated DBM or DoIT contracts should only be reported as payments on Form 3. Do not report these voucher amounts as awards on Forms 1 and 2, as the control agencies have already reported these contracts on Forms 1 and 2 of their annual MBE report. *Refer to the tables in items a. & b. above.*
- f. **Corporate Purchasing Cards:** P-card procurement reportable purchases are to be reported as awards on Forms 1 and 2, and as payments on Form 3 with the following exception: P-card purchases from all non-delegated DBM, DGS, and DoIT contracts should be excluded from Forms 1 and 2, as the control agency (DBM, DoIT or DGS) has already reported these contracts as part of their annual MBE report.
- g. **MBE Prime Contracts:** **PLEASE NOTE:** For Forms 1 and 2 only, MBE subcontractor participation associated with a MBE prime contract award may not be reported twice. If the procurement unit reports the full value of the MBE prime contract in the MBE Prime Awards section on Form 2, the value of the MBE subcontract participation for that contract cannot be included in the MBE Subcontract Awards section of Form 2. See page 21 for illustrated example

FY2017 Activity:

MBE Prime Contractors

- 1) In FY2017, how many MBE *Prime* contracts valued at greater than \$15,000 were awarded from a competitive solicitation that was publicly advertised? FY ANNUAL MBE AWARDS REPORTING INSTRUCTIONS (FORM 1 & 2)

The Governor's Office of Small, Minority & Women Business Affairs continues to simplify the reporting process by preparing Excel spreadsheets for agencies to complete and submit. The spreadsheets are color coded to assist the using agencies in entering the needed data. Once the data is entered and saved, the agencies are to email the completed spreadsheets as an attachment to REPORTS.GOMA@MARYLAND.GOV. Spreadsheets are located here: <http://goma.maryland.gov/Pages/Reporting-Tool-MBE.aspx>

Instructions for completing the spreadsheets follow.

Please Read: The spreadsheets are used to enter contract awards data. This data is different than actual payments data. “**Form 1 - Contract Awards**” are the anticipated amount of the base period of the contract when it was first awarded or renewed. “**Form 2 - MBE Subcontract Awards**” are the prime contractor's MBE commitments when the contract was first awarded or renewed. “**Form 3 - Actual Payments**” are the confirmed MBE payment amounts actually paid for services rendered or products purchased.

The awards spreadsheet file contains two spreadsheets that are linked with formulas that will calculate contract awards by (1) MBE Classification and (2) Procurement Category. The spreadsheets are password protected to prevent the accidental overwriting of formulas needed to calculate the minority participation totals and percentages. There are two spreadsheets that require department or agency data input.

Make sure you are using the most current Annual Report Template!!!

Completing Reporting Form #2 (first tab at the bottom of the screen)

It is recommended that agencies complete Reporting Form #2 first. This spreadsheet is subdivided by (1) MBE Classification and (2) Procurement Category. These subdivisions are listed below. Agencies are to continue providing data for dually-certified firms and certified disadvantaged firms (highlighted).

MBE Classification – Column Titles

- African American
- Asian American (includes Sub-Continent & Pacific Asian)
- Hispanic American
- Native American
- Woman
- African American Woman
- Asian American Woman
- Hispanic American Woman
- Native American Woman
- Disabled
- ~~Non-Profit (Certified)~~
- ~~Community Service Provider (formerly Sheltered Workshop) (Certified)~~
- Disadvantaged

Procurement Category – Row Titles

- Architectural
- Engineering
- Construction
- Construction-Related Services
- Maintenance
- Services
- Supplies & Equipment

- IT Services
- IT Supplies & Equipment
- Human, Cultural, Social & Educational Services
- Corporate Credit Card (MBE Prime Only)
- Direct Voucher (MBE Prime Only)

The yellow cells of this spreadsheet are the areas designed for data input. The blue cells contain formulas and are write-protected. In addition, the worksheet is also write-protected to avoid unauthorized alterations.

The top input area is entitled “*Total Subcontract Awards by MBE Classifications and Procurement Categories.*” This is where you will enter the MBE subcontract awards data. Enter the subcontract awards data in the yellow cells as appropriate. For example, if you have African American subcontract award data for “Construction”, you would enter the **total dollar value** of all African American construction **subcontracts** awarded during the fiscal year. Next, you would enter the **total number** of all African American construction subcontracts awarded during the fiscal year. The same would be completed for each MBE classification and procurement category as appropriate (see Figure 1).

Enter the MBE prime contract awards data in the yellow cells as appropriate. For example, if you have African American awards data for “Construction”, you would enter the **total dollar value** of all African American construction **prime contracts** awarded during the fiscal year. Next, in the cell below the dollar value you would enter the **total number** of all African American construction prime contracts awarded during the fiscal year. The same would be completed for each MBE classification and procurement category as appropriate (see Figure 2).

IMPORTANT NOTE: The addition of the dual-certification categories eliminates double counting of firms certified as Women and one of the other ethnic categories. For example, awards to firms certified as “Hispanic/Female” in the MDOT MBE Directory would be included in the “Hispanic Women” column of the input areas. Similarly, awards to firms certified as “Female/Asian” in the MBE Directory would be included in the “Asian Women” column.

When you have entered all of the information by MBE classification and procurement category as appropriate, the blue cells will calculate total dollars awarded and total contracts awarded. This information will be calculated by MBE Classification in the bottom blue cells and calculated by Procurement Category in the blue cells to the far right. Figure 2 illustrates the blue calculated fields previously discussed.

Beginning with FY 2009 reporting, a third input area was added, “Total MBE Prime and Subcontract Awards by MBE Classifications and Procurement Categories.” This table does not require any data entry, and all of the cells are in blue to indicate that it calculates the total MBE prime & subcontract awards entered in the previous tables. Figure 3 illustrates the automatic calculations.

- **Total # All Prime Contracts (Including MBE)** – Enter the **total number** of all prime contracts awarded by your department/agency for the fiscal year. This would include the **total number** of prime contracts awarded to non-MBE and MBE contractors.
- **Total All Prime Contracts Dollar Value Awarded (Including MBE)** – Enter the **total dollar value** of all prime contracts awarded by your department/agency for the fiscal year. This would include the **total dollar value** of prime contract awards to non-MBE and MBE contractors.
- **Total # of Prime Contract Waivers** – Enter the **total number** of all prime contracts including MBE prime contracts that received MBE Participation Goal Waivers by your department/agency for the fiscal year.

- **Total Dollar Value of Prime Contract Waivers** – Enter the **total dollar value** of all prime contracts including MBE prime contracts that received MBE Participation Goal Waivers by your department/agency for the fiscal year.
- **MBE Participation Calculation Quality Control** – For each procurement category Architectural through HCSE, the MBE participation should never be greater than 100%. If calculation is greater than 100%, double check your denominator to make sure it includes all reportable awards including the Awards to MBE Primes and MBE Subs.

INSTRUCTIONS MBE QUARTERLY REPORT SUBMISSIONS

Overview

In an effort to collect the most accurate information as efficiently as possible, the Governor's Office of Minority Affairs (GOMA) has moved from monthly submissions of FY cumulative data to quarterly MBE procurement reporting. Monthly reporting can continue for your agency if you so desire. We strongly recommend this approach for larger agencies. Please be mindful that although we have moved to quarterly submissions, you should be prepared to submit a report with 30 days of special requests. **Each quarter's submission should be on a fiscal year cumulative basis** (i.e. each month/quarter report will include fiscal year-to-date activity).

New Quarterly/Monthly Reporting

Awards - Purchase Orders & Blanket Purchase Orders

The data required to complete most of the procurement categories for the awards tables on Forms 1 & 2 will come from ADPICS standard reports 709, 710, and 720 for agencies using the State's financial management information system (FMIS). (For MDOT FMIS users, the standard report 711 diagnostic is the equivalent of the Stateside 710 report.) Agencies not using FMIS would use reports from their respective financial systems or other method(s) of tracking all purchase orders/blanket purchase orders. Running these reports on a cumulative basis should significantly decrease – if not eliminate – the need to make numerous corrections to previous monthly reports, as change orders, cancelled POs, corrections, and other modifications will be captured in the cumulative reporting. These cumulative reports should be run for POs/BPOs in the following procurement categories:

- Architectural
- Engineering
- Construction
- Construction Related Services
- Maintenance
- Services
- Supplies & Equipment
- IT Services
- IT Supplies & Equipment
- Human, Cultural, Social, & Educational Services.

Procurement Category	Total # All Prime Contracts (Including MBE)	Total All Prime Contracts Dollar Value Awarded (Including MBE)	Total # of Prime Contract Waivers
Architectural			
Engineering			
Construction			
Construction Related Services			
Maintenance			
Services			
Supplies & Equipment			
IT Services			
IT Supplies & Equipment			
Human, Cultural, Social & Educational Services			
Corporate Credit Card			
Direct Voucher			
Totals	0	\$0	0

Run cumulative monthly reports for these procurement categories. (Both on Form 1 and Form 2.) –

These are generally the categories for which purchase orders are issued.

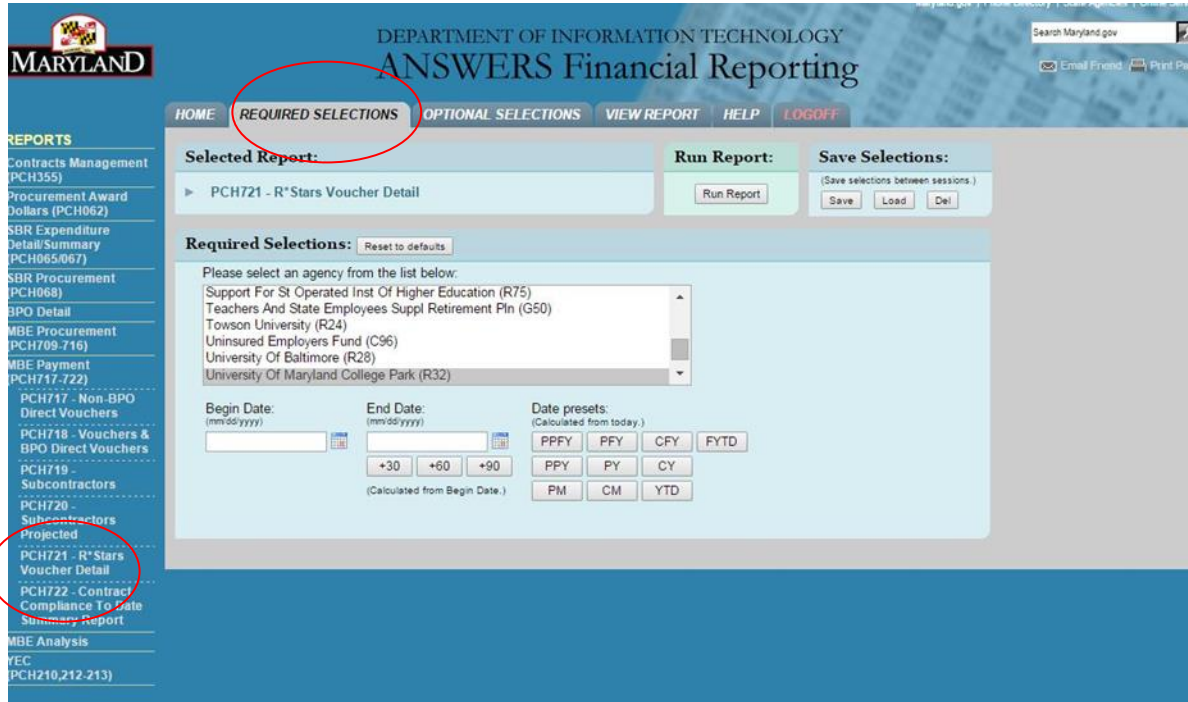

(Example: For the July 2015 monthly report, agencies would run their purchase order reports from July 1 through July 31. For September’s quarterly report, run July 1 through September 30; for December’s report, run July 1 through December 31; and so on.)

Credit Card & Direct Voucher Purchases

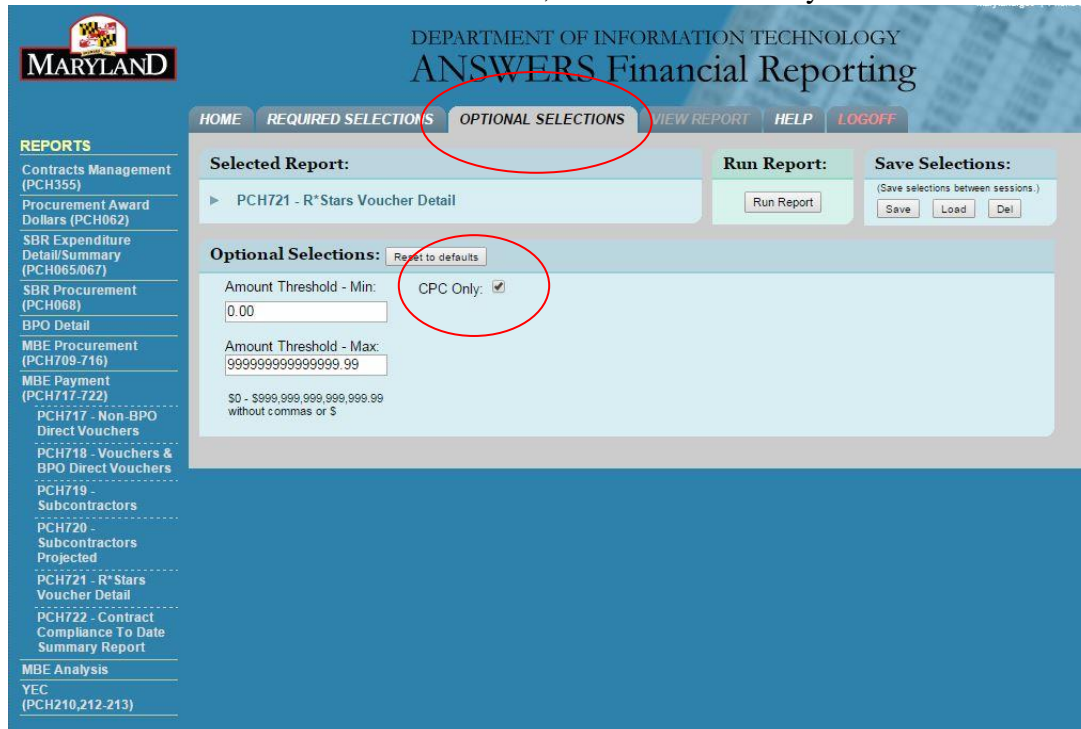

For the Corporate Credit Card, and Direct Voucher (if applicable) awards categories, agencies should run credit card reports PCH721 in ANSWERS (available monthly or cumulative) or VIEW DIRECT A30USB11 monthly. Run PCHL717 (Direct Voucher) either monthly or cumulative basis as payments are relatively static. Once the reports have been reviewed and “scrubbed” of non-award and/or non-procurement data, agencies will enter the appropriate figures in the yellow cells on both Forms 1 and 2.

For FMIS/MDOT (with exception of Mdta) Users instructions are below for accessing the new PCH 721 R*STARS Voucher Detail CPC report. For non-FMIS users, submit a ticket to service.desk@maryland.gov who will retrieve the report (ANSWERS PCH721, CPC only).

Select your agency and the dates

Under the OPTIONAL SELECTION Tab, check the CPC Only box and then hit Run Report

Procurement Category	Total # All Prime Contracts (Including MBE)	Total All Prime Contracts Dollar Value Awarded (Including MBE)	Total # of Prime Contract Waivers	Total Dollar Value of Prime Contract Waivers
Architectural				
Engineering				
Construction				
Construction Related Services				
Maintenance Services				
Supplies & Equipment				
IT Services				
IT Supplies & Equipment				
Human, Cultural, Social & Educational Services				
Corporate Credit Card				
Direct Voucher				
Totals				

Input total scrubbed data here.

Example if you add each month separately: In July and August, Agency A reported the following in credit card and direct voucher total awards:

	July 2015		August 2015		TOTAL YTD	
Corporate Credit Card	716	\$12,578	1,002	\$24,693	1,718	\$37,271
Direct Voucher	92	\$8,067	281	\$20,947	373	\$29,014

When Agency A prepares its September report, it would add September’s “scrubbed” data to the total year-to-date, and enter the total of the three months on Forms 1 and 2 in the appropriate cells.

	September’s data	
Corporate Credit Card	568	\$9,412
Direct Voucher	137	\$10,653

September 2015 Cumulative	
2,286	\$46,683
510	\$39,667

Agency A should record this information in the appropriate categories on Form 1. Form 2 should be completed in a similar manner.

Payments

FMIS agencies would use ADPICS standard reports 717, 718, and 719, in addition to the ViewDirect A30USB11 report in order to capture *all procurement payments*. Non-FMIS agencies should use their financial systems to capture *all procurement payments*. On Form 1, the total of all procurement payments should be entered in the yellow cell. The blue cells are auto-populated when the yellow cells on Form 2 have been completed.

Total \$ Paid - All Prime Contracts	Total \$ Paid - MBE Prime & MBE Subcontracts	% MBE Payments	MBE Prime Contracts \$ Paid	MBE Subcontracts \$ Paid
	\$0	0.00%	\$0	\$0

This represents all procurement payments from the 717, 718, and A30USB11/PCH 721 reports. Agencies that do not have FMIS would use their financial systems' payments reports. (Includes payments against POs/BPOs, contracts, and one-time only payments for any good or service.)

These cells auto-populate from Form 2. In addition to the standard FMIS payments reports generated via ANSWERS (717, 718, and A30USB11/PCH 721) FMIS agencies will also use the 719 report. All other agencies will use payments reports received from MBE subcontractors.

Tips

The purpose of reporting is to evidence the State of Maryland's commitment to procuring goods and services from minorities and women. In an effort to make reporting as accurate as possible, non-procurement items should not be included in agencies' reports. (Refer to COMAR 21.01.03.01 for items that are exempt from procurement reporting.)

- For a more complete list of exclusions visit <http://goma.maryland.gov/Pages/Reporting-Tool-MBE.aspx> and download the *GAD List Exclusion Definitions*.
- For agencies that fall under Division II of the State Finance & Procurement Article, remember that use of non-delegated Statewide contracts are not reportable as awards; however, payments made on these contracts are reportable in the payments table on Forms 1 & 2. (Rule of thumb: Awards – do **not** include awards made from Statewide Contracts; Payments – report all procurement payments, including payments on Statewide contracts.)
- Credit cards. The credit card reports do not differentiate procurement purchases from non-procurement payments. It is required for agencies to review the credit card reports (either from FMIS or from the banking institution) to exclude non-procurement payments from the total credit card spend. This enables agencies to better determine the actual MBE participation in credit card purchases. Similarly, it would be beneficial for affected agencies to review their direct voucher reports to exclude any non-procurement items. **NOTE: AJ Stationers, Applied Technology, Signs by Tomorrow, are MBEs but are not captured as such on the credit card reports, so be mindful to include them in your MBE count.**

- Avoid overstating MBE participation. For any contracts with MBE participation where the prime contractor is a MBE, be careful not to record both the MBE prime amount as well as the MBE subcontract amount. To do so would overstate the MBE participation on that contract. (Example, Agency A awarded a \$2.5 million contract to a MBE prime. There was a 20% MBE commitment of 500K. Agency A would report this on Form 2 in one of two ways: 1) Enter the entire \$2.5 million in the Prime Contracts table, or 2) Enter \$500,000 in the Subcontracts table and \$2 million in the Prime Contracts table.)

FMIS ADPICS Standard Reports

For your reference, a listing of FMIS ADPICS standard reports and a brief description of each follow.

- **709:** MBE Blanket Purchase Order/Purchase Order Change Orders report – provides a list of change order increases to BPOs/POs awarded in a previous reporting period.
- **710:** Purchase Order/Blanket Purchase Order detail report – provides a detail of all reportable POs/BPOs. (The ANSWERS version also lists any rejected POs/BPOs.)
- **711:** MBE Procurement Report summary – provides a summary of all reportable procurements by procurement category. This report is very similar to Form 1, and lists all prime contracts, MBE prime contracts, and MBE subcontracts. **Do not use the figures from this report. You should be scrubbing and sorting the data on the 710 Report.**
- **713:** MBE Prime Contracts report – provides a summary of MBE prime contracting by procurement category and minority classification. **Do not use the figures from this report. You should be scrubbing and sorting the data on the 710 Report.**
- **717:** Non-BPO Direct Voucher report – contains all MBE payments made by direct voucher that are not associated with a purchase order or blanket purchase order. Since many legitimate non-procurement payments are made via direct voucher, there is a column that displays the reportable voucher amounts.
- **718:** PO Voucher & BPO Direct Voucher report – contains all MBE voucher payments made against a purchase order or blanket purchase order. Generally, all of these payments are reportable procurement payments.
- **719:** MBE Subcontractor Payments report – provides a summary of all payments made to MBE subcontractors by MBE type.
- **720:** MBE Subcontractor Awards detail report – provides a listing of all subcontractors on any prime contract by MBE type.
- **721:** R*STARS Detail Voucher report – provides a listing of all Credit Card payments and identifies MBEs.

A note on paper conservation:

The Governor's Office is aware that quarterly or monthly reporting can significantly increase the physical files agencies keep in support of their submissions. Therefore, to the extent possible, all agencies are strongly encouraged to use their procurement/financial systems to create electronic copies of reports used to complete the reports. Agencies using FMIS should access the ANSWERS database (Statewide users) or iFMIS (MDOT users) to download copies of the standard reports in Excel format.
