The background of the image is a stylized, high-contrast representation of the Maryland state flag. It features a large, bold cross in the center, with the quadrants filled with a pattern of yellow and black diagonal stripes. The cross itself is red with white outlines. The entire graphic has a grainy, textured appearance, similar to a halftone print or a distressed paint job. The flag is slightly tilted and appears to be a close-up of a portion of the full flag.
