Welcome to eMaryland Marketplace Advantage (eMMA)

eMMA is Maryland's new online procurement platform used to connect the vendor community with contracting opportunities from state, county, and local government entities. Registered vendors will receive notices of bid opportunities, can submit bid responses online, and may obtain bid results online.

Qualified vendors may also complete the self-certification process for the Small Business Reserve (**SBR**) Program and Veteran-owned Small Business Enterprise (**VSBE**) Program.

eMMA facilitates an open, transparent, and efficient procurement process. We look forward to doing business with you!

Additional information can be found in the [Frequently Asked Questions](#) and [Quick Reference Guides](#). Any questions please contact the eMMA Help Desk at eMMA.helpdesk@maryland.gov.
