On the left is a vertical navigation menu with the following items: "MBE Home", "Directory of Certified Firms" (highlighted with a red border), "Certifications & Forms", "Annual Review", "Expansion of Service", "Minority Business Enterprise Advisory Committee (MBEAC)", and "Certification Application Assistance Workshops". The main content area features the heading "Small, Minority & Disadvantaged Business" above a photograph of a diverse group of professionals. To the left of the photo is the circular logo for the "Office of Minority Business Enterprise" (MBE), established in 1978, which is Maryland's official certification agency. Below the photo, the text reads "Maryland's Official Certification Agency" and provides a description of the agency's role in certifying Minority Business Enterprises (MBE), Disadvantaged Business Enterprises (DBE), and Airport Concessions Disadvantaged Business Enterprises (ACDBE).

*State Finance & Procurement Articles 14-302 (a) (1) (iv) (3)*

(ii) [Each unit shall] implement a program that will enable the unit to evaluate each contract to determine the appropriate minority business enterprise participation goals, if any, for the contract based on:

1. the potential subcontract opportunities available in the prime procurement contract;
2. the availability of certified minority business enterprises to respond competitively to the potential subcontract opportunities;

# Searching the MDOT Directory

- Reasons:
  - To identify number of certified MBEs per subcontracting opportunity (identified by NAICS code(s)) during the PRG process
  - To verify the MBE status of an MBE firm named on MBE Forms during the bidding process
- Used by Procurement Staff, Liaisons, vendors & others

# **Searching for MBE Firms During the PRG Process**

# Things to Consider

Do enough MBEs exist at the prime contractor level to reasonably assure maximum opportunities for MBEs to compete for and potentially obtain the contract at that level?

Are MBE subcontracting opportunities feasible?

Does the base of potentially-available MBEs for the work components of the contract make the MBE subcontract goals attainable?

MBE base of providers for each work component

Geographical proximity of MBEs to the work location

The Veterans Benefits, Health Care, and Information Technology Act of 2006 (Public Law 109-461) provides the U.S. Department of Veterans Affairs (VA) with unique authority for Service-Disabled Veteran-Owned Small Business (SDVOSB) and Veteran-Owned Small Business (VOSB) set-aside and sole source contracts.

This procurement authority, and its subsequent implementation, is a logical extension of VA's mission to care for our Nation's Veterans. VA refers to this program as the Veterans First Contracting Program.

### Overview

This Quick Reference Guide (QRG) shows you how to apply for the Veteran-Owned Small Business Enterprise (VSBE) Certification and recertify in eMMA, once you're registered.

**IMPORTANT!!** Complete your annual recertification process, click this link to skip directly to that section: [VSBE Recertification](#). Otherwise follow the first process below.

**NOTE:** For best results, access eMMA using the Google Chrome browser.

If you need help with eMMA at any point, please email the eMMA Help Desk at [emma.helpdesk@maryland.gov](mailto:emma.helpdesk@maryland.gov).

For additional assistance with the certification or recertification process, contact Danielle Davis at [danielle.davis2@maryland.gov](mailto:danielle.davis2@maryland.gov) or (443) 346-0717.

### Prerequisites

In addition to this online application process, participation in Maryland's VSBE Program requires:

- The VSBE Veteran Verification Form to be completed along with acceptable veteran supporting documentation saved to your computer, for review by the Maryland Department of Veterans Affairs, or
- The Federal Vets First Center for Verification and Evaluation (CVE) certification through the U.S. Department of Veterans Affairs.

If you meet the other eligibility standards for this procurement program, you will remain in pending status until your vendor profile is updated with a Veteran Verification or Federal Vets First CVE number.

Find instructions for completing the Veteran verification process on the Governor's Office of Small, Minority, and Women's Business Affairs website, at <https://gomdsmallbiz.maryland.gov/Pages/default.aspx>.

★ **PRO TIP:** You can find your VSBE information in a public **Vendor Search** on the eMMA login page.

If you have any questions, regarding a VSBE's Certification or Verification after today's training please contact the VSBE Compliance Manager.

## **PROCEDURES FOR SBR DESIGNATION FOR COMPETITIVE PROCUREMENTS & SECONDARY COMPETITION ON STATEWIDE & MASTER CONTRACTS**

For Competitive Procurements or Statewide and Master Contracts with secondary competition, designation to the SBR Program is required, unless a waiver or exemption is determined appropriate. In making this determination, the agency must research and confirm if adequate competition exists. A Procurement Review Group (PRG) evaluation for an SBR Program procurement designation must be conducted using the available “PRG Evaluation - SBR Program Designation Worksheet”.

If there are at least three (3) small businesses that *are capable of performing the services or providing the required products*, the procurement or secondary competition should be designated as an SBR Program procurement. *(These three small businesses may not necessarily be certified in eMMA at the time of solicitation publication.)*

Welcome to eMaryland Marketplace Advantage (eMMA)

eMaryland Marketplace Advantage

eMMA is Maryland's new online procurement platform used to connect the vendor community with contracting opportunities from state, county, and local government entities. Registered vendors will receive notices of bid opportunities, can submit bid responses online, and may obtain bid results online.

Qualified vendors may also complete the self-certification process for the Small Business Reserve (SBR) Program and Veteran-owned Small Business Enterprise (VSBE) Program.

eMMA facilitates an open, transparent, and efficient procurement process. We look forward to doing business with you!

Additional information can be found in the [Frequently Asked Questions](#) and [Quick Reference Guides](#). Any questions please contact the eMMA Help Desk at [eMMA\\_helpdesk@maryland.gov](mailto:eMMA_helpdesk@maryland.gov).
